It was the massive, and in the British national experience, unprecedented number of casualties that made it The Great War in the perception of the British public. To face the challenge of total war both political practice and economy had to be transformed radically and, in a dramatically short period of time, hundreds of thousands of men had to be raised for the military forces. The whole society endured a heavy burden and was profoundly changed during the wartime. This essay investigates the major impacts of the First World War on the British society. Therefore, after describing the upcoming nationalism and a promoting class consciousness, both caused by the war, the examination focuses on the impact of the war on everyday life. Finally, the impact of the war...
