

## The Complete Turtletrader: How 23 Novice Investors Became Overnight Millionaires

By Michael W. Covel

HarperCollins Publishers Inc, United States, 2011. Paperback. Book Condition: New. 201 x 135 mm. Language: English . Brand New Book. Richard Dennis, the Prince of the Pits , a man who d already made a fortune on the Street, was convinced that great trading wasn t a gift from God, but something that could be taught to anyone. So one day he made a bet with his partner, and ran a classified ad in the Wall Street Journal looking for trainees. And he didn t just hire finance professionals: his trainees - who became known as the Turtles - included an actor, a security guard, two professional blackjack players, a pianist, a fantasy game designer, and others. After two weeks of training, he set them loose, with a \$1 million bankroll each to invest as they chose, and the right to keep a share of their trading gains for themselves, as long they adhered to the Turtle system.By the time the program ended, Dennis and his partner had made over \$120 million - from trades made by complete novices. Many of these Turtles then went on to trade for themselves, and some are among the top investors operating today. As...
