University Press of Kansas, United States, 2010. Hardback. Book Condition: New. New.. 241 x 147 mm. Language: English . Brand New Book. She answered mail in longhand, took charge of bookkeeping, and carefully watched expenses. President Harry S. Truman fondly called his wife The Boss. Sale traces Mrs. Truman s many philanthropic efforts both before and during her White House years and places her public activities in the larger context of contemporary women s activism. She also reveals how the president discussed all of his policy decisions with her, making her his full partner. Grounded in research into previously overlooked archives at the Truman Library and the Library of Congress, Sale s work expands our understanding of a remarkable American woman....
