Summary: In 1962, a nineteen-year-old Sam Shepard escaped from his dysfunctional home in Duarte, California and headed to New York City, where he launched his successful career as an actor, director, and playwright. Though he left his family, the memory of his family—especially his father, a World War II veteran, alcoholic, and recluse—never left him. Setting the playwright in context to his personal life, social, historical and political events, other writers of influence, and more, you will quickly gain a deep understanding of Sam Shepard and the plays he wrote. Read *Shepard in an Hour* and experience his plays like never before. Know the playwright, love the play! The book features: *Shepard in an Hour*, the primary essay in the book *Shepard In a Minute*, a snapshot chronology A complete listing of Shepard's work A list of Shepard's contemporaries in all fields Excerpts from Shepard's major plays An extensive bibliography grouped according to type of reader An index of...
