

90 Things That Irritate the S**t Out of Me.or at Least Make Me Frown

By G Eric Francis

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Written in short sections, 90 Things is a tongue-in-cheek look at life and the things in it that drive us insane. The book tackles a variety of subjects: The controversial (racial tension and stereotypes) to the simply annoying (rude people in supermarkets); The lack of good sense in smart people (why women let men keep hurting them) to pure greed (how the rich keeps getting richer off of the middle class, the inane status of American politics); The joys (and mostly trials) of raising offspring (children and their evil ways) before finally taking an inside look at my own pet peeves that makes me place my head in my hands in frustration. Written with a wink and a hope for us all, 90 Things will make you smile at some things, get angry at others, but hopefully make you question how we as human beings have survived this long without destroying ourselves.
