Bucky, a temperamental cat who carries a boom box and goes on spending sprees, definitely calls the shots in this eclectic household, while Satchel is a kindly canine with a sensitive soul who tries to remain neutral, even though he bears the brunt of his feline companion's mischief. Between the three of them, the Wilco household faces a whole host of trials and tribulations that classify them as family. Satchel wants his boundaries respected. Bucky refuses to eat vegetables but insists on snarfing up Rob's plants. Rob tries to meet women, but his pets continually subvert his efforts. In every frame, Get Fuzzy depicts the hilarious war between the species, giving the animals an equal footing in hilarious one-upmanship.
