Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.20 Years in the kitchen and 30 years of world traveling. These are my most favorite recipes I want to share with you. First of all there are no pictures. Did your granny have pictures on her index cards written in her chicken scratch, So Bite Me he he he he Now here are the .rules 1 Your finger is your best tasting tool. (It was good enough auntie Marge) 2 Buy a kitchen scale \$10 (I use weights, it's easy and you can tare the scale for each ingredient) 3 I use tablespoons and teaspoons from the cutlery drawer. Plenty of them and you can wash them later. 4 Preparation time (who cares) you live for this anyway; a day in the kitchen is better than a lot of other shit. No colored pictures, unless I make a fortune and re-publish. This is not like other cookbooks; I have tried to keep the bla bla bla out of the recipe. In other words they are written in the way you cook, for people who cook. The page size is US letter so you can print them and put them in a binder. Just print the ones you like. And for the ones you don't like crunch them up into a little ball and then pitch them. Don't forget to curse me out and email me with the reason. I try to keep it to one page if possible. I have written each recipe the way you would prepare it, so you might see onions or butter appear a few times. Which brings me to why; don't you just love it when they...
