Createspace, United States, 2009. Paperback. Book Condition: New. 248 x 172 mm. Language: English . Brand New Book ***** Print on Demand *****.Four verses in the ninth chapter of Daniel are arguably some of the most important verses found anywhere in Scripture, related to prophecy. If we are to understand what God has given us in these four verses, then we had better do all that we can to ensure we have a correct interpretation. The 70 weeks of Daniel, highlighted in Daniel 9:24-27 are there for our benefit. God did not need to tell us anything, but He chose to do so in order that we would be blessed by the information He has graciously provided to Daniel through the angel Gabriel. The most important question becomes then, what is Gabriel actually relating to Daniel in these four verses? Is the information found there for us today, as yet unfulfilled, or is it all in the past, in which case it would merely be testimony of how God has worked in our past?.
