Createspace, United States, 2015. Paperback. Book Condition: New. abridged edition. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This edition has been reviewed and lightly edited to simplify some aspects of the original novel s sentence structures to make the narrative more appealing to a modern reader, while retaining the greater part of the original writing. As I went my way, I beheld a young man of a mysterious appearance coming towards me. I tried to shun him, being bent on my own contemplations; but he cast himself in my way, so that I could not avoid him. But more than that I felt a sort of invisible power that drew me towards him. It felt like the force of an enchantment, which I could not resist. As we approached each other, our eyes met and I could never describe the strange sensations that thrilled through my frame at that moment; a moment to me fraught with the most tremendous consequences; the beginning of a series of adventures which has puzzled me, and will puzzle the world when I am no more in it. That time will now soon arrive. In Ediinburgh, in the eighteenth century, a devout follower of Calvinism, Robert Wringham, meets a curious stranger who convinces him that those that have been preordained to be by God s side - the elect - can do no wrong, and are bound by no ordinary moral principles. He is set upon a path that leads to murder and destruction. Is the young stranger that he meets Satan, or a fallen angel, like Lucifer? Or is his account of his meeting and all the subsequent events merely in his imagination? Edited and lightly abridged by James Scobie. Published A. Bridge Co through FICTION FACTION.
