Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Pearson Education (US), United States, 2012. Paperback. Book Condition: New. International ed of 10th revised ed. 228 x 152 mm. Language: English . Brand New Book. Balanced, concise, and practical, Waugh and Gronlund s Assessment of Student Achievement, Tenth Edition, presents an exceptionally strong set of strategies to help teachers assess all learners in today s schools. Written in a simple and direct manner, and using frequent examples and illustrations to clarify important points, the text is a balanced, concise, and practical guide for testing and performance assessment. The authors approach emphasizes testing as well as performance evaluation-each used when it is most appropriate-as integral steps that improve student learning and ultimately build student success. This highly-regarded textbook, replete with thorough updates in the new tenth edition, prepares educators use assessment as a tool to help develop all students in their classrooms. A great portion of the textbook is devoted to preparing and using classroom tests and performance assessments, assigning grades, and interpreting standardized test scores to individual students and parents.
