Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

PEOPLE OF THE WILD CAT COUNTRY: TALES FROM BADENOCH AND STRATHSPEY

Birlinn General. Paperback. Book Condition: new. BRAND NEW, People of the Wild Cat Country: Tales from Badenoch and Strathspey, Sandra Macpherson, In "A Strange and Wild Place", Sandra MacPherson recorded her extraordinary life as a Highland chieftain's wife on Glentruim estate, weaving her own story with tales of infamous Macphersons of old. In her latest book, she broadens her horizons to include the whole of Badenoch and Strathspey, introducing a multitude of old and new tales from the area, as well as providing more personal recollections of her experiences there. In addition to stories featuring members of her own MacPherson clan, she also includes tales of love, battle, adventure, intrigue, danger and dark secrets, as well as chilling accounts of witchcraft, the supernatural and the unexplained. Together, these stories paint a vivid picture of this very special corner of the Highlands - not only of its richly varied landscape made up of farmland, forest and stark, imposing mountains, but also of the people who have lived and loved there through the centuries, and of the changes over time that have inevitably affected and continue to mould their lives.
