

Career as a Computer Systems Analyst

By Institute for Career Research

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.ONE OF THE HOTTEST CAREERS TODAY - and one with highly favorable job prospects for the foreseeable future - is computer systems analyst. Analysts are in high demand by organizations that use computers (and what company operates without a computer?). That means opportunities exist in virtually every business and government agency, in every industry around the world. Systems analysts earn good salaries and enjoy outstanding prospects for long-term advancement. They may work in safe, modern offices, travel around the country, or do their jobs from the comfort of their own homes. They play an important role in providing organizations with customized technical solutions to the most challenging issues. Do you like working with computers? Do you enjoy solving mysteries and puzzles? Do you gain satisfaction from helping others? Are you a good communicator, both through the written word and while speaking with people? Do you like to learn new skills? Are you organized and responsible, and can you work well with others? Would you enjoy leading a team of colleagues towards successfully accomplishing an important goal? Then you...
