Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A very dark but artistic coming-of-age story of poems that informs problems within the Self and society. This book Provides you with a pragmatic, scientific, philosophical, and real-life approach towards Life. It portrays how to overcome universal problems and abuse and be empowered to succeed. The ultimate purpose is to cross the boundaries and problems with miscommunication and let everyone from child to adult to parent, as well as people of different nationalities and cultures better understand and communicate with each other. This is based on reading different perspectives from both a child, adult, and parent mind. My hope is for greater understanding, communication, and compassion for one another bridging the gap between all nationalities, ethnicities, ages, societies, and standardized organizations. .
