Folded Word, United States, 2015. Paperback. Book Condition: New. 178 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.With these compulsively readable stories, Michelle Ristuccia creates a new genre in PREMEDITATIONS. This chapbook achieves a fresh look at our times, seeming to simplify while posing new questions about all we accept as reality - much as fairy tales and sci fi must have when first told. Ristuccia reveals forbidden texts, such as the complete Articles of Faith concerning cookies: tenets that are funny and a little sad, that cut to the core of our many belief systems. She dares tell first-person, true-life accounts of encounters with stick figures that become threatening; with a father who has a dangerous, rejuvenating secret; with immature non-human beings that in no way resemble anything we ve come to expect. Whether humanoid, android, or otherwise sentient, PREMEDITATIONS is a must read.
