

Riled Wise: Prose Poetry for People Who Like to Think

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

RILED WISE: PROSE POETRY FOR PEOPLE WHO LIKE TO THINK

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a short book of seven of my own favorite prose-poetry works (and a bonus haiku). Some sound like stories, others like sermons. In any case, they are all an acquired taste. To me, they really are not that deep and heavy. To me, these words just represent normal human feelings that most folks can relate to. But I needed to describe them somehow so that you would have an earthly clue of what to expect. I created these many years ago. I have been writing in this style for over twenty years, redeveloping some of these particular works along the way. A couple of them were used for some spoken word events (under the stage name Voyce) in my hometown (New Orleans). I was never good at actually performing my poems. I just read them to the crowd from my journals. Although I could never match the higher quality performances of those other true spoken word artists who would be on stage those same nights, I always felt honored when they clapped for me and said they liked them (blush). The titles are: Incomplete Fire-Star Love I do Twisted Zen Beauty Universal Letter Logic and Pain To sample, here is an excerpt: IV. Twisted Twisted thoughts that make me feel special and all alone Twisted like: People should live to be happy You should love who you marry And the only burden we all should carry is to Take care of the earth and each other Twisted sick thoughts like Life is short, so families should work to Keep the especiale bond God made Like its okay to do what you love and be paid...
