Brand New Book ***** Print on Demand *****.The topic of this book is surely controversial and may generate different reactions in readers. But there s a very realistic background supporting the intention of writing it in such a way, and it s indeed based on extensively researched facts and personal experiences. Even though mainstream science still refuses to accept the possibility of demonic possession, and all other phenomena that tend to be categorized under the section of the paranormal, there are many psychiatrists that have witnessed and testified in favor of the belief that demonic possession is a fact. On the other hand, even though there s a growing number of skeptics among the priesthood of the christian church, many admitted to have performed exorcisms and continue to do so. My attitude regarding this issue started as being one of skepticism as well, although an increasing number of evidences forced me to accept this truth in order to learn how to manage it in my own life. I always had a strong interest in the two main fields of the human mind, namely, psychology and spirituality. Therefore, I spent my entire life, since I was five, to be more precise, inside religious organizations, most of them christian. Only later did I found interest in satanism, as a way to expand my awareness about human conscience, and not necessarily follow it. Within this growing interest about the spiritual side of life, I was inspired by thousands of pages about real cases of demonic possession, and, even though I never really enjoyed watching horror movies about it, and still don t, I had to be strong in confronting the fact that these situations were occurring inside my...
