Reviews

Very useful to any or all type of people. This is certainly for those who statte there was not a worth reading through. You can expect to like how the writer write this pdf.

(Dr. Rashawn Lang)

1759: THE YEAR BRITAIN BECAME MASTER OF THE WORLD

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, 1759: The Year Britain Became Master of the World, Frank McLynn, Although 1759 is not a date as well known in British history as 1215, 1588, or 1688, there is a strong case to be made that it is the most significant year since 1066. In 1759 - the fourth year of the Seven Years War - the British defeated the French in arduous campaigns on four continents and also achieved absolute mastery of the seas. Drawing on a mass of primary materials - from texts in the Vatican archives to oral histories of the North American Indians - Frank McLynn shows how the conflict between Britain and France triggered the first 'world war', raging from Europe to Africa; the Caribbean to the Pacific; the plains of the Ganges to the Great Lakes of North America. It also brought about the War of Independence, the acquisition by Britain of the Falkland Islands and, ultimately, the French Revolution.
