Grabbed from a child has almost become a mantra of the people. Contemporary Chinese Children Literature boutique election flower buds of the motherland - young children - the bloom is sent rain and sun. The value of early childhood literature on the potential for development of young children, are increasingly perceived. Literature, after all, an important means of human with thinking in images reflect and understand the world, is also open and important media to improve people's aesthetic taste. Moreover, the early childhood literature is different from the general young adult literature. Preschool unique life and emotional description of an object, and to cater for young children to listen to the reading of the physiological and psychological characteristics, and has a unique charm. Since the founding of New China, many children's writer for the creation of beautiful and young children literature, paid a valuable effort. Generations people have to thrive in these works of infection. The sun and the moon, however, such as streaming, text miscellaneous Man Yan, want to find these works in the boutique also easy. The advent of contemporary Chinese Children Literature boutique selected sets of books, both for the sake of their children, and also for the sake of the parents. It is possible to Featured China since the establishment of popular poetry, essays, fairy tales and stories, classification published simultaneously, and preparation of...
