Tate Publishing Enterprises, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. As a child, I loved to draw, and it has continued throughout my life. My aunt was an art teacher in Jacksonville, Florida, and in 1980 I took art classes at her home. We took a trip to the art museum, and my interest in the art world began to grow. I loved it; the pictures looked like photos. As we were leaving the museum, they handed out cards that had some of the paintings on them. Flowers are what I loved the most; it reminded me of God s beauty. As a child, I was taught the word of God by my aunt and grandmother, and it inspired me to write my own little poems and add my own drawings. Life s great path, little did I know forty or so years later that I would work in a greenhouse with flowers. God is good! In the summer of 2013, I decided to make a change in my life. I loved my job, but I wanted more. My mom said, Why don t you go back to drawing? I cleaned out my art box and found colored pencils I never used. That started me on my journey to glorify God for His love and powerful word for his children. So I decided to put the two together again.
