Thomas Nelson on Brilliance Audio, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Immortal vigilantes from the time of Moses have planned the unthinkable. But how can you stop what you can't see? The battle didn't start this year . . . or even this millennium. It began when Moses was on Mt. Sinai. Tired of waiting on the One True God, the twelve tribes of Israel began worshipping a golden calf through pagan revelry. Many received immediate death for their idolatry, but 40 were handed a far worse punishment: endless life on earth with no chance to see the face of God. This group of immortals became the 13th Tribe, and they've been trying to earn their way into heaven ever since by killing sinners. Though their logic is twisted, their brilliance is undeniable. Their wrath is unstoppable. And the technology they possess is beyond anything mere humans could imagine. Jagger Baird knows nothing about the Tribe when he's hired as head of security for an archaeological dig on Mt. Sinai. The former army ranger is still reeling from an accident that claimed the life of his best friend, his arm, and his faith in God. The Tribe is poised to execute their most ambitious attack ever and the lives of millions hang in the balance. When Jagger's wife and son are caught in the crossfire, he'll stop at nothing to save them. But how can one man stand against an entire tribe of immortals? Liparulo plunges deep into the pages of scripture to find intriguing what-ifs and stunning revelations all woven into a tale that is both skin-tinglingly supernatural and thought-provokingly real. Packed with high-tech gadgetry, action and heart . . . .
