Reviews

Complete information for publication enthusiasts. I have go through and that i am confident that i will gonna go through once more again in the future. Its been printed in an exceptionally basic way and is particularly just following i finished reading through this book by which basically altered me, alter the way i really believe.

Marsilio, 2011. Book Condition: new. Venezia, 2011; ril., pp. 185, cm 13x21. (Romanzi e Racconti). In una Milano agli albori della luce elettrica, negli anni tra due disastri della storia patria - la battaglia di Adua e la rotta di Caporetto - le vicende di una famiglia borghese vengono raccontate dalle voci di Luciano, medico omeopata non molto sveglio ma attentissimo alle cose materiali, e di Alfonso, poeta stralunato e proiettato più verso i sogni che sul mondo reale. Attorno alle voci narranti, da un lato le figure femminili di Maria Rosaria, virtuosa forse suo malgrado, ed Elisa, custode di una verità ingombrante e dedita al peccato con assoluta innocenza; dall'altro personaggi contraddittori e spesso sfiorati da un'ala di follia, autentica o simulata, come il padre di Alfonso, tormentato dal rimorso di una colpa vergognosa eppure buon cliente di un bordello. Il tutto nello scenario storico di un'epoca che ha visto vorticare gli eventi più diversi e che ancora ci coinvolgono: dall'attentato a Sarajevo al volo dei dirigibili, dal socialismo di Mussolini e Nenni alle spedizioni polari, dal naufragio del Lusitania al fulgore e al dramma dell'icona della danza Isadora Duncan.
