Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 173 x 135 mm. Language: English . Brand New. 1001 Dark Nights is a collection of breathtakingly sexy and magically romantic novellas inspired by the exotic tales of The Arabian Nights. In the original, Scheherazade desperately attempts to entertain her husband, the King of Persia, with nightly stories so that he will postpone her execution. In our versions, each of our fabulous authors puts a unique spin on the premise and creates a tale that a new Scheherazade tells long into the dark, dark night. The Hunter For almost a century, the Realms most deadly assassin, Chalton Reese, has left war and death in the past, turning instead to strategy, reason, and technology. His fingers, still stained with blood, now protect with a keyboard instead of a weapon. Until the vampire king sends him on one more mission; to hunt down a human female with the knowledge to destroy the Realm. A woman with eyes like emeralds, a brain to match his own, and a passion that might destroy them both if the enemy on their heels doesn't do so first. The Hunted Olivia Roberts has foregone relationships with wimpy metro-sexuals in favor of pursuing a good story, bound and determined to uncover the truth, any truth. When her instincts start humming about missing proprietary information, she has no idea her search for a story will lead her to a ripped, sexy, and dangerous male beyond any human man. Setting aside the unbelievable fact that he's a vampire and she's his prey, she discovers that trusting him is the only chance they have to survive the danger stalking them both.
