The Development of Writing and its Consequences

By Volker Schölzchen

GRIN Verlag Jul 2009, 2009. Taschenbuch. Book Condition: Neu. 211x27x15 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2007 in the subject English Language and Literature Studies - Literature, grade: Sehr gut, University of Münster (Englisches Seminar), course: Literature and the Media, language: English, abstract: 'The importance of writing lies in its creating a new medium of communication between men. Its essential service is to objectify speech, to provide language with a material correlative, a set of visible signs. In this material form speech can be transmitted over space and preserved over time; what people say and think can be rescued from the transitoriness of oral communication.' If one reads the quotation given above, there soon arises the question of what was before mankind invented writing. Goody speaks of the 'transitoriness of oral communication'. Did people know nothing about their past How did a particular tribe constitute their identity These questions will be briefly responded to in the following chapter. Subsequently, the focus will be on different writing systems, especially on the alphabetic one and its impact on human cognitive skills. Then, the phenomenon of restricted literacy will be shown...
