HarperCollins Publishers, United Kingdom, 2010. Paperback. Book Condition: New. 178 x 111 mm. Language: English . Brand New Book. The fifteenth and final novel in the celebrated Deverry series, an epic fantasy rooted in Celtic mythology that intricately interweaves human and elven history over several hundred years. Spurred on by the priestesses of the false goddess Alshandra, the Horsekin hordes are massing on the northern border of Prince Dar's holdings. Their leaders believe that the rich grasslands of the prince's domain belong to them by divine right, no matter whom they must destroy to claim them. But Dar has powerful allies on his side, including the dragon Arzosah, who has hated the Horsekin for hundreds of years. She will vow to take a revenge worse than anything the Horsekin and their priestesses could possibly foresee. The prince's most powerful ally, however, is the one the Horsekin refuse to understand: the deep magic of the dweomer, as wielded by the band of sorcerers sworn to protect him, and especially by the elven master of magic, Dallandra, the silver mage.
